

Financial Assistance Application Instructions 2019-20 School Year

Please Note: FACTS Grant & Aid and FACTS Tuition Payment plans have merged their login sites. If you are a current SWSF family that has an active tuition payment plan through FACTS, you are to login by using your FACTS Tuition Payment plan username and password. Once you have logged in, you will select the *Apply for Financial Aid* link.

✓ The Financial Aid Application must be completed through FACTS

Go to <https://online.factsmgt.com/signin/3F63P> to login. There is a \$30 application fee payable directly to FACTS. **Note:** Where the FACTS questionnaire is asking for “most recent tax return” info, they are referring to your **2018 income**. Please complete the questionnaire with *2018 income amounts*. You will be able to update your FACTS application via phone (866)-315-9262 or by logging into your account once you have filed your 2018 taxes, which for the School’s purposes needs to be completed by you no later than March 31, 2019.

**Note that if a current Summerfield family is re-applying for aid, all parent/guardian tax returns for the current year must be uploaded into FACTS in order to qualify for financial aid in the coming school year. For example, a family currently receiving aid must have uploaded their 2017 tax returns to fully complete the 2018-19 financial aid process in order to qualify again for aid in 2019-20.*

✓ Families Living in Separate Households

A copy of any educational responsibility decreed by the court or a letter specifying the parents’ agreement for payment of educational costs, signed by both parents, must be received in the SWSF Finance Office by respective due date.
