Parent Membership Statement

In joining the membership of the Summerfield Waldorf School of Santa Rosa corporation, I understand that this is a Waldorf school which strives to embody the spirit and principles of the anthroposophical spiritual science of Rudolf Steiner, from which the school derives its primary philosophical and curricular grounding. So understanding, I stand in support of these principles and will endeavor, to the best of my ability, to apply them in any decisions which will affect the legal or financial health or existence of the corporation. **I acknowledge my responsibility to be present at any general meeting of the corporation for the conduct of business** and wish to be considered a voting member of the corporation. I am a parent or legal guardian of one or more children currently enrolled in the Summerfield Waldorf School of Santa Rosa.
