

2019 WALDORF WALL CALENDAR

2019 Summerfield Waldorf Wall Calendar

This year Waldorf education is 100 years old. Summerfield Waldorf School & Farm celebrates the centennial with a special edition of our Waldorf Arts Calendar.

This 15-month calendar showcases student work in the fine arts from kindergarten through high school at Summerfield Waldorf School & Farm, illustrating how art is integral to the Waldorf curriculum.

The calendar spans January 2019-March 2020, and each grade is represented by a featured monthly image. A range of complementary artwork is also highlighted throughout the calendar, while the comprehensive introduction gives a picture of the richness and depth of the Waldorf curriculum.

Founded in 1974 in beautiful Sonoma County, Northern California, Summerfield Waldorf School & Farm is one of over 1,000 Waldorf schools worldwide. To learn more about the Waldorf approach and to find schools in your area, please visit the Association of Waldorf Schools of North America: waldorfeducation.org.
