## Financial Assistance Application Instructions For the 2010-2011 School Year -First Round-

Financial Assistance is available for kindergarten through 12<sup>th</sup> grade. It is our wish that each child be able to attend Summerfield Waldorf School & Farm regardless of the family's financial situation. Financial assistance grants are awarded to parents to help realize this goal. These financial assistance grants are based on financial information submitted by parents. The total amount of financial assistance funding is determined by the Board of Directors and is set at the time of drafting of the operating budget for the school year.

Please print and fill out the Summerfield Waldorf School & Farm Financial Assistance Application from our website, [www.summerfieldwaldorf.org](http://www.summerfieldwaldorf.org). You must also apply, on-line, at the *School and Student Service by NAIS* (SSS) website. SSS charges a \$35 fee per on-line application. The report we receive from SSS is an additional tool for the Financial Aid Committee to use in meeting our intention of awarding financial assistance grants in the most objective way possible.
